Cumulative Editorial Index

Including January 1989 through December 1989. Number preceding hyphen is month of issue; numbers following are page numbers. AUTOMATION is indexed in Applied Science & Technology and the Engineering Index, available in libraries generally. Microfilm copies are available from University Microfilms, 300 N. Zeeb Rd., Ann Arbor, MI 48016. Reprints of early issues are available from Johnson Reprint Corp., 111 Fifth Ave., New York, NY 10003.
